

Troop 993 Adult Vehicle Information

According to council policy, a council permission form must be completed each time we travel away from our meeting place on a camping trip or field trip. The permission requires we list every driver including certain vehicle and vehicle insurance information. To maintain a master list of our drivers, please complete the information below and return it to the "Transportation" in-box in the Scout Master office.

This information is required annually since vehicle insurance information may change. Although you may not believe you will drive during a scouting event, please complete the form for all your vehicles anyway. This will ensure information is on file in the event you do decide to drive.

Thank you for your cooperation.

Driver Information

Driver Name:		Drivers License #:		State:	
Driver Name:		Drivers License #:		State:	

Vehicle Information

Year	Make	Model	Color	# Seat Belts	License Plate #	State	Hitch?
